

Lightweight full body adjustable harness for kids with the height 95–130 cm and maximum weight 40 kg.

DESCRIPTION

Rear padding of the harness provides great comfort: keeps shoulder straps apart and makes dressing easier.

2 adjustable buckles on the back of leg loops for better comfort in movement and for easy control and safety.

40 mm wide webbing for leg loops to provide comfort when climbing.

Three fast buckles enable very quick and easy size adjustment.

Bright color textile loops for correct attachment to the harness.

Elastic straps with plastic buckle keep harness on body when kids are playing on the ground.
